Thank you for becoming a host family with The Zource. We hope your student becomes a cherished addition to your family. It is most important to communicate with your student honestly and openly from the beginning.

Please explain your expectations, house rules, and consequences in order to help your new teenager transition to becoming a full member of your family and home.

Your student will appreciate the room and board you are providing which includes transportation to and from school either by public or school bus or any other safe means. We expect that your student will help out with his/her fair chores.

If anything changes in your home please contact your representative. If you can provide your concerns in writing is best.

Your international representative is here to support you and your family as well as the student so if there are concerns or questions please contact the representative as soon as possible.

The representative will be asking you to complete a background check form as well as do an in-home interview with all family members that live in the home.
